

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are recognized within the industry as durable and strong machinery that suits all the requirements of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind model of floor scrubber together with the Clarke Company that is currently likewise owned by Nilfisk Advance. Their manufacturing operations are primarily based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln can provide warranty service, machines and parts for these scrubbers that carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of various facility supervisors where results and efficiency count. Recently, this particular floor scrubber model has been requested by the architects in various construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on site due to the model's utmost performance level and high standard of quality for polishing concrete.
